Initial Enrollment Period (IEP)

If you are new to Medicare, you can enroll during your Initial Enrollment Period (IEP); the three months before, the month of, and the three months after your Part B effective date. Once you have been enrolled in a Medicare Plan, you can only make changes during the Annual Enrollment Period (AEP). Please be aware of the AEP dates are now October 15th to December 7th. This will give you a January 1st effective date for your new plan.

Annual Enrollment Period (AEP)

Applications must be signed and dated on, or between October 15th and December 7th. ***If they are signed prior to October 15th they will be returned to you with a new application.*** If they are received after December 7th, you will not be able to change plans until the next AEP for January of the following year.

Special Enrollment Period (SEP)

There are a number of reasons for Special Enrollments; Loss of a job that provides benefits, death of a spouse who's plan provided benefits, moving to an area where your old plan is not available, etc…

Once you submit your application to us, we will review your application for completeness and accuracy before we submit it to the company. You may fax, upload, email or mail your application in to CDA Insurance:
