Using in-network providers

HMO plans

Regence Blue MedAdvantage HMO and **Regence Blue MedAdvantage HMO Plus** plans have a network of doctors, hospitals, pharmacies and other providers. If you use providers that are not in our network, the plan may not pay for these services. You must choose a primary care provider (PCP) when you sign up for one of our HMO plans. You can see our plan's provider directory (including PCPs accepting new patients) and pharmacy directory at our website, **regence.com/medicare.**

PPO plans

Regence MedAdvantage + Rx Classic (PPO) and **Regence MedAdvantage + Rx Enhanced (PPO)** have a network of doctors, hospitals, pharmacies and other providers. If you use providers that are not in our network, you may pay more for these services. You can see our plan's provider directory and pharmacy directory at our website, **regence.com/medicare.**

Using out-of-network providers

HMO plans

Out-of network/non-contracted providers are generally not covered under your plan, except in urgent/emergent situations, or if there are no in-network providers that can provide the service needed and your PCP has obtained a prior authorization. Please call Customer Service for complete information.

PPO plans

Out-of-network/non-contracted providers are under no obligation to treat Regence members, except in emergency situations. If you receive care from an out-of-network/non-contracted provider, we will pay for the same services we cover in network, as long as the services are medically necessary. Please call our Customer Service number or see Chapter 4, section 1 of your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

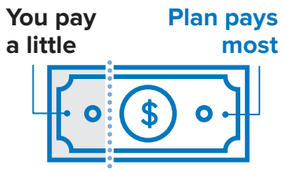
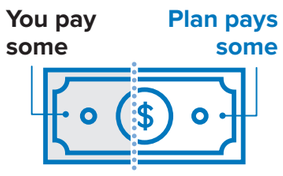
Additional prescription information for HMO and PPO plans



Initial coverage phase

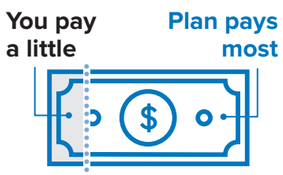
After you pay your annual deductible (if your plan has one), you pay a copay or coinsurance for each prescription you fill. Your plan pays the rest. You enter the coverage gap when the total amount you and your plan pay for covered drugs reaches $3,820.



Coverage gap phase

The coverage gap begins after the total yearly drug cost (what you have paid and what our plan has paid) reaches $3,820. After you enter the coverage gap, you pay 25% of the plan's cost for covered brand name drugs and 37% percent of the plan's cost for covered generic drugs until your costs total $5,100—which is the end of the coverage gap. Not everyone will enter the coverage gap.

For more information on cost sharing in the coverage gap, please call us or access our Evidence of Coverage online.



Catastrophic coverage phase

After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach $5,100, you pay the greater of:

5% of the cost, or

$3.40 copay for generic (including brand name drugs treated as generic) and a $8.50 copay for all other drugs

Important information to know before you enroll

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-541-8981.**

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit **regence.com/medicare** or call **1-800-541-8981** to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
- ☐ **For our HMO plans:** Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ **For our PPO plans:** Our plan allows you to see providers outside of our network (non-contracted providers). However, while we will pay for covered services provided by a non-contracted provider, the provider must agree to treat you. Except in an emergency or urgent situation, non-contracted providers may deny care.
