## What you need to know about this book

---

The information listed is a summary of what we cover and **what you pay**. It does not list every service, coverage limitation or exclusion. A complete list of covered services can be found in our Evidence of Coverage (EOC) on our website at [regence.com/medicare](https://www.regence.com/medicare) or by calling **1-855-522-8896** (TTY: 711) to request a copy.

You must choose a primary care provider (PCP) from the plan's provider network when you enroll in an HMO plan.

To join a Regence Medicare Advantage plan, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area of **Ada, Adams, Blaine, Boise, Canyon, Elmore, Gem, Gooding, Jerome, Lincoln, Owyhee, Payette, Twin Falls, Valley, and Washington counties**.

Out-of-network/noncontracted providers are under no obligation to treat Regence members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.

Utilization Management (UM) is the way we review the type and amount of care you're getting. This involves looking at the setting for your care and its medical necessity. Clinical professionals make decisions based on our clinical review criteria, guidelines, and medical policies. Examples of UM procedures include pre-service review (prior authorization), concurrent review (including urgent concurrent review) and post-service review. Find more information in our Member FAQ on [regence.com/medicare/resources/faq](https://www.regence.com/medicare/resources/faq).

Cost-sharing may be less if you qualify for Extra Help. To find out if you qualify, call the Social Security Administration at 1-800-772-1213 (TTY: 1-800-325-0778) between 7 a.m. and 7 p.m., Monday through Friday.

If you want to know more about the coverage and costs of Original Medicare, look in your current **Medicare & You 2022** handbook. View it online at [medicare.gov](https://www.medicare.gov) or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

## Pre-enrollment checklist

---

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-855-522-8896**.

### Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit [regence.com/medicare](https://www.regence.com/medicare) or call **1-855-522-8896** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.

### Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or copayments/coinsurance may change on January 1, 2023.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
